Some programs have age limits and some require registration. Please check program details.

Lego Mindstorm EV3 Robotics Workshops

December 12 from 2 to 4 pm

Sign up for robotics workshops using Lego Mindstorms EV3s. These workshops are for middle/high school students—minimum age 10. Please sign up for only one session per month. Spaces are limited, so please register online by clicking “Program Registration” from the library’s homepage.

Game Design with GameMaker: Studio

December 10 & 15 from 6 to 8 pm

Learn all about game design and build your own games using Game Maker, a free software. Using visual drag and drop programming. Space is limited so please register on the library website. Ages 10+

Blender Basics

Saturday, December 5 from 2 to 4 pm

This course will demonstrate how to maneuver and manipulate in a 3D environment. Students will learn basic 3D modeling skills that can easily be applied to other 3D modeling programs. The students will be tasked to construct various objects. Please only register for one of the posted Blender sessions at a time. This class is for students aged 12 and up.

CAD with 123D Design

Mondays from 6 to 8 pm

Learn how to create 3D objects using Autodesk 123D Design. Spaces are limited so please register online by clicking “Program Registration” from the library’s homepage. Ages 12+

3D Printing Now Available at the Library

Create It, funded by the Friends of the Library, has added its second 3D printer! Come check out our new Lulzbot Taz 5 printer. The addition of this new 3D printer has enabled us to cut the waiting queue times in half, so your prints can be finished quicker than ever!

For more information, please call 817-410-3407, email createit@grapevinetexas.gov, or check library.grapevinetexas.gov.

Genealogy

Name Droppers

Monday, December 14 at 10:30 am

Join the genealogy buffs as Grapevine Name Droppers will be featuring a Show-and-Tell this month. All Name Droppers programs begin at 10:30 am. Please join us and learn more about the fascinating world of genealogy.

Entwined Minds Book Club

Monday, December 14 at 1 pm

All interested readers are invited to Entwined Minds Book Club. The book for discussion this month is *A Tale for the Time Being* by Ruth Ozeki. In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future.

Flutasia

Monday, December 7 at 7 pm

The community flute choir will play a variety of holiday musical favorites for your listening enjoyment.

Like or follow us on Facebook, Instagram, and Twitter!

Textile Arts

DFW Machine Knitters

Saturday, December 12 at 10:30 am

Jingle & Jolly's Christmas Show

Saturday, December 19
at 10:30 am

Jingle the Elf will tell the kids about his responsibilities in Santa's workshop and during the grand finale, Jolly the Snowman comes out to help everyone sing a Christmas carol. Children will not only get to see the wonderful magical creations from Santa's Workshop, but they will be the ones that make the magic happen. The children will get to help build a snowman, decorate a tree and test all the zany inventions from in Santa's workshop.

**Be sure to join Yoda's
Reading Challenge
over the Winter
Break! Pick up a form
at the Children's Desk
beginning Dec. 18!**
